I attest that the information provided herein is true, accurate, and complete to the best of my knowledge and agree that **any change** in the landholdings information contained in this certification will be provided verbally to all districts named **within 30 calendar days** of such change, and that **new forms** will be submitted **within 60 calendar days** of such change. I further attest that any leases of land receiving irrigation water to which your organization is a party are in writing and have terms that do not exceed 10 years, except perennial crops leases which cannot exceed 25 years and must have written approval from the Bureau of Reclamation. I also attest that, in my best judgment, the rent paid on any land leased by or from your organization that is receiving irrigation water reflects the reasonable value of the irrigation water to the productivity of the land.

Information obtained in this certificate is protected by the Privacy Act of 1974, system of records notice INTERIOR/WR-31, and will be used to administer the acreage limitation provisions of Federal reclamation law. The Secretary of the Interior or the district may require additional information in order to administer these laws. The Secretary may also require a copy of your lease(s).
